REQUEST FOR PROPOSAL (RFP) - TERMS

General Terms (if applicable)

- 1 School districts will comply with fair and competitive bid process, either by state law or rules of Universal Service Administration Company (USAC)- Schools and Libraries Division for E-Rate discounts.
- 2 All requested products and services may be contigent upon Erate funding approval and /or school board approval.
- ³ Service Providers must meet all terms and conditions set forth by Universal Service Administration Company (USAC)- Schools and Libraries Division Erate program for discounts. Service providers must provide SPIN# (Service Provider Indentification Number) on bid/proposal response.
 - a. All service providers agree to participate and comply with any additional information needed and/or audits after the bid process. Based on USAC rules, apply to all winning or losing bids and up to 10 years from the last date of service.
- All products and services proposed must be operational and compatible with all network equipment
 brands/software used by school district. Services and equipment offered must compatible without any additional cost or equipment required to provide technology solution.
 - a. No refurbished equipment is accepted unless otherwise stated. Equipment must be commercial or enterprise models, no retail models accepted.
- 5 School District reserves the right to accept all, some or none of the received bids.
 - a. School District may award bids or proposal by per product, per project or entire bid basis.
 - b. A service provider regardless of the size of the company or the category of service provided must ensure that the Lowest Corresponding Price (LCP) is provided to applicants. The applicant is not obligated to ask for it, but must receive it.
 - c. Bid evaluations will be primarily scored on Lowest Corresponding Price and most cost effective but not the only factor considered.
 - d. The school reserves the right to interview or ask additional questions to candidate as part of their submitted bid evaluation process.
- 6 This RFP may include not eligible items (for bid only) for school construction project or special technology project, required for job but not specific for Erate discount request and should be identified as NOT ELIGIBLE.
- 7 For most eligible services such as Installation, Basic Maintenance, Managed Internal Broadband Services, etc. - Service Providers to be within 100 mile radius (approx 1-2 hours) from school district location. If using sub-contractors, required disclosure of the contracting company and company information, including bonded, insured and with state specific requirements for any restrictions to personnel.
- 8 School district may allow State Contracts as an option to receive bid prices. (a mini bid would be required). Service Provider quoting state contract prices must include a copy of the State Contract as part of their response.
- 9 Bids/proposals, contract/agreements may not contain liquidated damages or cancellation charges. Such charges are considered not eligible for Erate discounts.
